

Lifestyle Transformation Centre & Villas Ltd

Investing in Health...a Life-Time Investment

Introduction

The Lifestyle Transformation Centre & Villas Limited (Centre) is embarking on a venture which will integrate health with a wellness/ rejuvenation programme in a vacation atmosphere. It will target both local and foreign visitors who are looking for a natural therapy to overcome major diseases as well as for anti-stress and rejuvenation purposes. The Centre is offering an opportunity to clients/ investors /joint venture partners to participate in a unique concept of wellness project that will have a positive impact on their emotional, physical, spiritual, and economical wellbeing.

The Centre will be targeting property investment-type venture that can be used as a healing site. The Centre will be investing in natural agriculture, cottages /villas to deal with the residential programmes ranging from one-day to possible one-month period. Villas /cottages can also be rented long term on a time-share basis.

Products & Services to be Offered

The services to be offered will include a diversified range of wellness programme.

Jamaica has one of the most natural environment for the tourism market and it is believed that the environment with its natural spas coupled with our culture (food, musical entertainment, festivals, tours and community tourism) services and low health care cost will be an excellent way of branding Jamaican as the heaven for healing. As such we will be offering wellness vacations and retreats that will include:

Spa Services

- Facials
- Peels
- Microdermabrasion
- Acne & Anti-Aging Treatments
- Non Surgical Facelifts
- Body Massages, Stone Massage, Thai Massage
- Stone Therapy
- Body Wraps
- Body Scrubs & Polishing
- Body Waxing
- Jet Showers
- Sauna
- Wart Removal
- Foot Detox
- skin treatments, and salon services utilizing safe, affordable, non-toxic and effective (SANE) methods.

Medical & Diagnostics:

Medical and healing components as well as natural/organic food restaurants, nutritional services, health education, natural organic food production will be included as added value to this venture.

Other Services

Other services such as surgery, laboratory, and dental will be available through the Co-operative's network.

Opportunities

If you are a member of the Natural Healing Foundation Cooperative Society Limited, then you just need to increase your shares to access greater health and investment benefits. Others who are not members need to register as a member to participate in this exciting health tourism project from a natural health perspective. It will not only allow you to enjoy perfect health but for you to enjoy the returns that come with it. Shares can be purchased at a minimum of 2000 shares at \$1.00 each (\$2000) plus \$2,200 for registration and administrative cost. You may purchase as much shares as you can, based on the rules of the Co-operative.

The members, investing in the Co-operative, are entitled to special privileges including free access to the property, special discounts on all products and services, including medical, health education, nutritional consultation, organic foods and herbs, natural spa services and training and discounts on all-inclusive accommodation, plus returns on shares.

This is an opportunity to be a part of a natural healing revolution, the first in the country. We implore you to take up this offer and purchase shares in the Natural Healing Foundation Co-operative Society Ltd and become a part of this memorable experience and sell Jamaica as the place for healing.
